

Accessible Holiday Accommodation with Ceiling Hoists

This list has been compiled as a result of many requests for information for fully accessible holidays and includes accommodation in England, Scotland and Wales. Unlike the majority of our literature we have not visited all the places included but those we have visited are marked with an asterisk.

We have tried to ensure the information is correct but we strongly urge you to consult with the owners of each property about the appropriateness of the accommodation for your own specific needs.

SCOTLAND

Woodhead Cottages *

There are two wheelchair accessible three bedroomed cottages sleeping up to six people. The main bedroom in each has a tracking ceiling hoist that runs from the bed to the bathroom with a wheel-in shower area as well as a bath. The kitchens have low level appliances and surfaces suitable for wheelchair users. The cottages are set in beautiful woodland that has an accessible path running through it.
