

Holiday Information for people with disabilities who need accommodation and care provided.

This list has been compiled as a result of many requests for information for accessible holidays with care provision. **Unlike the majority of our literature we have not visited the places included. We have tried to ensure the information is correct but we strongly urge you to consult with the owners of each property about the appropriateness of the accommodation for your own specific needs.**

We have divided this fact sheet into organised care provision and informal care provision suitable for individuals with mobility issues.

N.B. We do have a separate fact sheet for people with learning disabilities who require supported holidays.

Organised

The organisation known as **Vitalise (formerly The Winged Fellowship)** provide holidays in various locations around the country. These include the Skylarks Centre at Nottingham and the Sandpipers centre in Southport. There are 24 hour nursing and care staff on duty and volunteers who also provide support and companionship for guests. All rooms are en-suite and as well as on site entertainment, excursions are arranged.
