

## **Holiday Insurance Companies who provide insurance for people with pre-existing medical conditions.**

**Please note** some specific disability related organisations such as Epilepsy Action can provide detailed information on travel insurance for those who fall within in their specialised field. If you belong to an organisation already or there is one that is relevant to your own condition then it is well worth checking it out first. Please be aware that some companies may add an excess charge for certain pre-existing conditions.

### **All Clear Travel Insurance**

Insurance especially designed for travellers with medical conditions. Cancer and other serious conditions are all considered even if a terminal prognosis has been given. There are no age limits and usually a general practitioner's certificate is not needed. Cover can be arranged in one phone call or online and nearly all applicants can covered. No proposal form is required.
