

Family fun this Easter

- Benefit from the uplifting affects that a visit to The Trentham Estate in Spring has.
- To shake away those Winter cobwebs, we recommend a stroll around award-winning gardens, run wild in the woodlands, brave the barefoot walk, ramble, row, steam or set sail along the lakeside, hide and seek in the maze, get active with adventure play.
- There's plenty of choice to refuel in an array of café's and restaurants including the Italian Garden Tearoom - with stunning views of the gardens and lake.
- For those shopoholics amongst us, indulge in some retail therapy amidst our charming timber lodge village. Get inspiration for a new Spring look for you, your home or garden at the Trentham Garden Centre.
- Get up close and personal with 140 free-roaming monkeys at the Trentham Monkey Forest.
- Fly high at the Aerial Extreme tree top adventure.
- Stay over at the Premier Inn.

27-28, 31 March
