

UK Hotels with Wheel-in Showers

This list has been compiled as a result of many requests for information for fully accessible holiday accommodation. Unlike the majority of our literature we have not visited all the places included. Those with an asterisk * we have visited and whilst we have tried to ensure the information is correct, we strongly urge you to consult with the owners of each property about the appropriateness of the accommodation for your own specific needs.

England

Acton Trussell, Nr Stafford, Staffordshire *

The Moat House at Acton Trussell is situated just off of the A449 about three miles from Stafford. It has one ground floor room with a wheel-in shower.

New Mayfair Hotel, 673-677 New South Promenade, Blackpool, FY4 1RN.

Bromfield, Nr Ludlow, Shropshire *

The Clive is situated on the main A49 a short distance from Ludlow and is accessed via a ramped entrance from the adjacent car park. There is one attractive, spacious twin bedded room and the beds are positioned to allow right or left hand transfer and with sufficient underneath clearance to allow use of a portable hoist. The en-suite shower room has room to side transfer to the toilet and a fold down seat in the shower (N.B. the shower controls although at a low level are not easily reached when seated on the seat). There is a portable ramp on site that allows access to other ground floor bedrooms and the conference suite. Also on site is the Clive bar and excellent restaurant with ramped access via the bar entrance and a good sized accessible toilet in the foyer. This could be suitable for both accompanied and unaccompanied wheelchair users.
