

British Disabled Water Ski Association

Registered Charity No 1063678

Do you like to have fun? Do you have a disability?

If the answer to both of these questions is yes, then why not come along and try water skiing with the British Disabled Water Ski Association?

The BDWSA is holding its annual five day course at the **National Water Sports Centre, Nottingham** on **Monday the 27th through to Friday the 31st of July.**

We would like YOU to come along and join us and experience the thrill of water skiing. Or if you are already hooked, then come down and show us how it's done!

The course is provided for individuals and groups with ANY form of disability. Regardless of what your special needs are, we CAN get you out on the water!

We have a wide range of specialist equipment and we will give you instruction, training and all the support and assistance that you need to get going. Our fully qualified instructors will aim to give a truly exhilarating water based experience, tailored to the individual's specific needs and goals.

Each day's course starts at 10.00am. Anyone arriving at the lake before 10.30am is guaranteed two sessions on the water. The charge is a daily rate of £10.

Participants need to bring a spare set of clothing, a towel and ideally a swimming costume. We will provide wet suits or dry suits as appropriate.

Please ensure that you book in with us for the course because places are limited. You may wish to join us for the whole five days, or just a day or two.

To reserve your place, or for any enquiries:

Call us on 07521 718605.

You can also email disabled.waterski@googlemail.com

Please note: We do reserve the right to refuse to take any person out on the water for whom we consider the activity would be too dangerous. However we have never yet needed to exercise this right and have always been able to provide some kind of 'on the water experience' for anyone willing to give it a go!

Individuals needing personal care, whilst waiting for a ski, must bring a carer with them.

The BDWSA runs other courses throughout the year. Please ask for further information.
