

Accessible Accommodation with Wheel-in Showers in Scotland

This list has been compiled as a result of many requests for information for a selection of fully accessible holiday accommodation in Scotland. Unlike the majority of our literature we have not visited all the places included. Those with an asterisk * we have visited. We have tried to ensure the information is correct but we strongly urge you to consult with the owners of each property about the appropriateness of the accommodation for your own specific needs.

N.B. Scotland has a wealth of accessible accommodation of which this is only a small sample, please contact us for information on other areas.

Scottish Borders

Eildon Holiday Cottages have five cottages suitable for wheelchair users, two of which have ceiling hoists. 'Single Tree Cottage' that sleeps 4 has a tracking ceiling hoist between the master bedroom and ensuite bathroom with a bath. 'Langrig' (allergy free) that sleeps 6 has a tracking ceiling hoist between the master bedroom and ensuite bathroom with a shower. Portable hoists can be supplied for the other cottages. All the cottages have easy wheelchair access and low level appliances and work surfaces in the kitchens.
